

# Molded Project Box

## Multiple Sizes • High Value • High Quality

### Special features include:

- Tongue and groove construction for matched fit
- High impact ABS
- The lower section has threaded brass inserts for mounting circuit boards
- Top and bottom screw fastened
- Self-extinguishing material available on request

# EP Series: New Patent Multi-Box

With removable PCB mounted side plate w/groove block

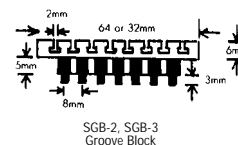

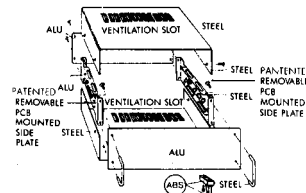

With RPB-1 application

### Special features include:

- 1mm painted gray steel base, 1mm anodized aluminum face protected with protective transparent film
- Two removable PCB mounted side plates mounted internally are supplied, outside chassis can be affixed
- Removable PCB mounted side plate punched with holes for Groove Block SGB-2 or SGB-3 to mount PCB PCB vertically or horizontally
- Case includes two nickel-plated steel handles 3.72" long 8ø
- Ventilation slots are bottom or top of case, one set of multifunction mounted foot stand included
- Use of optional RPB-1 removable base Boss Board suggested

Item No.	W x D x H (in.)
EP-1	7.87 x 5.12 x 4.33
EP-2	7.87 x 5.12 x 5.31
EP-3	7.87 x 10.23 x 4.92
EP-4	10.63 x 7.87 x 4.92
EP-5	10.63 x 10.23 x 4.33
EP-6	9.84 x 6.69 x 4.33
EP-7	12.60 x 7.87 x 4.92

All EP Series boxes include 4 pcs. SGB-2 & 4 pcs SGB-3 Groove Blocks and 1 set of mounted foot stand of fixing wall.

The SGB-2 is with length 32mm; SGB-3 is with length 64mm; SGB-2 or SGB-3 can be ordered additionally with 12 pcs. pkg.
